## Industry Services Advisory Committee

### New Committee Members

The three year term (2010 – 2012) of the Industry Services Advisory Committee (ISAC) was completed at the end of 2012.

During the last term, AWEX together with ISAC achieved much for AWEX Members and the Australian wool industry, including, but not limited to, the;

1. Review of the Woolclassers Code of Practice for 2013 -2015,
2. Introduction of the National Wool Declaration Integrity Program,
3. Reviews of the NWD,
4. Review and second publication of the Sheep Breeds Compendium, and
5. Commencement of the review of the Australian Wool Pack Standard.

ISAC is an advisory committee to the AWEX Board and its work is critical to the development, implementation and maintenance of AWEX wool quality programs on behalf of the Australian wool industry. AWEX wishes to thank the outgoing Committee comprising: Andrew Blanch, Geoff Fiskin, Mark Hedley, Don Macdonald and Brett Woods, with contributions from other industry personnel as required. The Committee was supported by Chairman, Russell Pattinson and Secretary, Kerry Hansford.

Members of the ISAC for 2013-2015 have now been appointed and are listed below.
