## REMINDER

# Woolclasser Registration 2013-2015

Woolclasser Registration is open now and a reminder letter has been sent (22<sup>nd</sup> November) to all woolclassers who are yet to register for the 2013-15 period. Members are asked to remind wool growers and woolclassers of the importance of maintaining a current woolclasser registration and that woolclassers should register as soon as possible.

**Current woolclasser registration expires on 31<sup>st</sup> December 2012.**

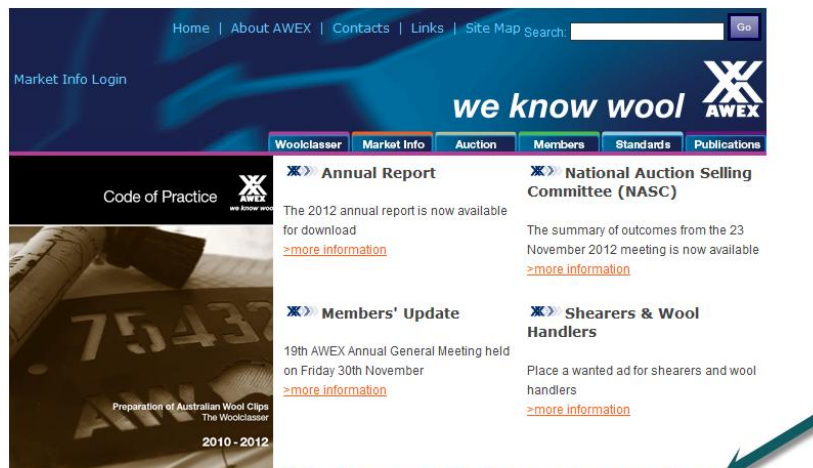

**Woolclassers who register after 31<sup>st</sup> December will incur a late fee of \$15.00**

Woolclassers have several options to register:

### Option 1: Online

Woolclassers can go to the AWEX website [www.awex.com.au](http://www.awex.com.au) where they can complete registration using a credit card payment (Mastercard or Visa).

Woolclassers need to click on "**Woolclassers click here to re-register**" (below) and follow the prompts. This is a popular option for woolclassers, with use of the online registration facility increasing 50% this registration period.

The screenshot shows the AWEX website homepage. At the top, there are navigation links: Home, About AWEX, Contacts, Links, Site Map, and a search bar. Below this is a banner with the text "we know wool" and the AWEX logo. A horizontal menu contains tabs for Woolclasser, Market Info, Auction, Members, Standards, and Publications. The main content area features several news items, each with a small AWEX logo icon and a title. One of the items is titled "Members' Update" and includes the text "19th AWEX Annual General Meeting held on Friday 30th November" and a link to "more information". A green arrow points to a red link at the bottom of the page that says "Woolclassers click here to re-register".
