	National Wool Declaration (NWD) Definitions							
1 Mulesing	The removal of skin from the breech and/or tail of a sheep using mulesing shears.							
	Source: Australian Animal Welfare Standards and Guidelines for Sheep (draft).							
2 Ceased Mulesing (CM)	Wool from sheep where <u>mulesing has ceased on the property</u> . No lambs born on the property in the last 12 months have been mulesed at the time of this shearing.							
3 Non Mulesed (NM)	No sheep in this mob has been mulesed.							
4 Pain Relief (PR)	All sheep in this mob have been mulesed using a registered Pain Relief product.							
	Note: PR must be declared separately for each mob (it is not a property declaration).							
5 Mulesed (M)	Some/all sheep in this mob have been mulesed.							
6 Shedding Breeds	Breeds that shed fibre (e.g. Afrikaner, Australian White, Awassi, Damara, Dorper, Karakul, Meatmaster, Persian, Van Rooy, Wiltipoll, Wiltshire Horn).							
7 Contact with Shedding Breeds	Mated to, or run in the same paddock as shedding sheep/lambs or their crosses.							

How to Complete the NWD

- → To declare the DMFR and/or Mulesing Status for each mob (and line of wool) the Owner/Manager, in consultation with the Woolclasser, must:
 - Answer the question "Has Mulesing Ceased on this Property?"
 - Complete all the NWD Mob questions (Mob No., Age, Breed, Sex, Shedding Breeds, Crutching and Mulesing Status).
 - o Sign and date the declaration.
- → The Woolclasser will complete the rest of the specification, including the Mob Number column, for all lines of wool (including oddments).

Note 1: If Mulesing has Ceased on the property, for mobs that have been declared Mulesed (or left the box left blank), CM will be allocated to the associated lines of wool.

Note 2: If Mulesing has <u>not</u> Ceased on the property, for mobs that have been declared Mulesed (or left the box left blank), Blank will be allocated to the associated lines of wool.

Note 3: Not Declared (ND) will be recorded for mobs (and associated lines of wool) where the DMFR and/or the Mulesing declaration is left blank (i.e. the CM question has <u>not</u> been answered and the mob DMFR and Mulesing Status questions are blank or incomplete).

NWD Codes									
Age/Shearing	Code	Breed	Code	Sex	Code				
1 st Shearing	1	Merino	M	Ewes	Е
