Appointment – Wool Technical Officer Southern Region

AWEX is pleased to confirm the appointment of Des Warner as Wool Technical Officer Southern Region.

Des is well known to Exporters having worked as an Exporter in both the Western and Northern regions. Des has a strong wool technical background and has completed wool classer training and AWEX-ID appraisal courses. Des will add further strength to AWEX's wool appraisal team.

Des is currently planning his move from Western Australia to Melbourne over the coming weeks. Des will commence work on Monday 3rd October in Fremantle and will be in Melbourne from the week commencing 17th October.

Des will retain David William's mobile number from 3rd October.
