## VALE: Ian Kemball McIvor AM

It is with sadness I advise Members that former AWEX Director, Ian McIvor AM, passed on Friday 12 March 2021 at the age of 89.

Ian was a Director of AWEX from 1997 to 2006 and was an influential figure in Australian agriculture, domestically and internationally, in both a commercial and industry representative capacity. Ian's involvement in the wool industry dates back to 1950 and he became a registered wool classer in 1982.

Ian approached everything with great energy and he knew on who's door to knock to get things done.

Ian was also highly respected in the livestock industry, taking part in many overseas trade delegations with the Federal Government and was inducted into the Livecorp Hall of Fame in 2002.

Ian was recognised for his contribution to agriculture (livestock export & wool) and was made a Member of the Order of Australia (AM).

Ian was a strong public advocate for AWEX and helped establish and guide AWEX through its formative years.

Ian will be remembered for his extensive industry knowledge, sharp mind, decisive nature, razor wit and generosity to friends and to those that sought his assistance.
