

SUMMARY OF OUTCOMES FOR THE MEETING OF THE WOOL INDUSTRY EDP USERS GROUP HELD ON TUESDAY THE 18th OF APRIL 2023

SUMMARY OF OUTCOMES

1. Delivery Order Issues

- 1.1. The group has met six times, a terms of reference has been agreed upon and the group has started putting some recommendations together. Some changes are WIEDPUG related, others are processing changes. There will most likely be some changes to the handbook in the future.

2. General Updates

- 2.1. Adding the Ebale ID to the TRV document
 - 2.1.1. AWTA are looking at the requirements for not only the EDI network but also internal AWTA systems, they will be better placed in a future meeting to give an update. AWEX is also working with brokers on implementation, AWTA will work with AWEX as well.
 - 2.1.2. It was noted that the issue might be a bigger project including EAD among other issues. There is a fair bit to look at, for example does the buyer need to know if a bale has an eBale ID. There could also be privacy issues.
- 2.2. Error when excluding 84 records in the AC
 - 2.2.1. There was a definition problem on the network which has been rectified.
- 2.3. Industry Update on the Standards Review project status
 - 2.3.1. The summary document will be used as a basis for the notification to industry, there will be an executive summary added before distributing to industry.

3. Other Business

- 3.1. Meeting format review
 - 3.1.1. Video conferencing tool review, Zoom vs Microsoft Teams
 - 3.1.1.1. The group agreed to move to Teams.
 - 3.1.2. Face-to-Face meetings
 - 3.1.2.1. The group supported holding Face-to-Face meetings when talking about important issues. Including presentations on the agenda would add purpose for holding a Face-to-Face meeting.
 - 3.1.2.2. Some representatives indicated they are unlikely to travel for a WIEDPUG meeting.
 - 3.1.2.3. The group agreed that based on the agenda there will be an attempt to hold an annual Face-to-Face meeting. Remote video conferencing will be made available for those that are unable to travel.
- 3.2. It was noted that when the update on the standards review document for industry is ready to send, an online meeting will be held to review the document before sending.
